The jury must decide whether or not the slaying was accidental as Mrs. Woodward reported.

Private detectives hired by the 39-year-old former radio soap opera heroine "to spy on her 35-year-old banking heir husband gave the list of prominent society women to police who are gathering evidence on marital discord in the Woodward home.

Dr. Correll Is Chapel Speaker

The greatest threat to leadership by DePauw as an institution is its conservatism, Dr. Malcolm Correll said at a university worship chapel yesterday.

We have a responsibility to lead, DePauw's physics department head continued, but we are too silent on the really vital issues.

"It is up to us as university people," he insisted in the Gobin Church address, "to interpret the truth as we see it to our fellow men."

He expressed his conviction that truth will triumph in the long run but warned that before this takes place there must be a contest.

Referring to discriminatory clauses in fraternity charters, Correll commented: "Either our principles do not mean what I think they mean, or we do not subscribe to them."

He urged his student listeners to become actively engaged in examining such issues, then asked, "Has it occurred to you to determine whether Jesus could join your fraternity?"

Total damage to the automobiles was estimated at \$1,200.

IKE IS TAKING "FULL CHARGE" SAYS MITCHELL

LABOR SECRETARY OPTIMISTIC OVER PRESIDENT'S RECOVERY

DENVER, Nov. 3.—(UP)—President Eisenhower is taking "full charge" of the government now, Labor Secretary James P. Mitchell, reported, although the Chief Executive's return to a daily working schedule at the White House may be some months away.

Mitchell saw the President late Wednesday and was asked, "did you discuss with the President when he might be taking full charge of the government again—when he might be back on the job?"

Mitchell replied, "I would assume he is taking full charge now."

Not since the President suffered a heart attack Sept. 24 has there been any serious question of his not being in legal command of the government, although much of his normal work and areas of decision had to be taken over by key members of his administration.

Several cabinet members who have visited recently at Fitzsimons Army Hospital which Mr. Eisenhower expects to leave Nov. 11 have commented on their efforts to speed his recovery and lighten his load by assuming more responsibility themselves.

Mitchell's brief reference to "taking full charge now" represented no sudden change in the President's hospital routine, but it did reflect the fact that each day finds him stronger and able to devote more time to official duties.

James Stafford, cashier of the First National Bank in Plainfield, responded for the Plainfield group and expressed its appreciation for the cooperation and help given by Greencastle in the organization of the club.

The Rev. Sam Carruth, pastor of Gobin Methodist church, was inducted as a new member of the Greencastle Rotary Club. Lois Arnold had charge of the induction.

An interesting film titled "People—Progress and Industry in 1975" was projected. The film which was loaned to the club with the compliments of IBM endeavored to depict life 20 years hence.

Airliner Crash Probe Underway

LOGMONT, Colo. Nov. 3.—(UP)—Charles Wilson, Wisconsin explosives expert, today will attempt to trace the source of the blast or blasts that rocked a United Air Lines DC-6B airliner before it crashed Tuesday night near here killing 44 persons.

Wilson, head of the Wisconsin State Crime Laboratory, was scheduled to arrive in nearby Denver aboard a UAL plane at 7:15 a. m. EST to join government and company investigators.

Before leaving Madison, Wis., on Wednesday night, Wilson told reporters that in investigating such a plane crash "you look for the same things you do in a bombing of a car."

The Wisconsin explosives specialist was employed by United Air Lines officials to aid in the investigation.

Evidence appeared indisputable on the basis of accounts by residents of the area who saw the crash that at least one and possibly two explosions rocked the four-engine transport.

YOUNGSTERS PRAISED

Many Greencastle merchants have informed the Greencastle Chamber of Commerce that there was less soaping of windows and evidence of destructive pranks this year than in any other year that they can remember in connection with the Halloween season. All agreed that the Greencastle youngsters should be complimented on this good behavior, and should know that the merchants of Greencastle are truly appreciative.

BLOODY BATTLE IS IN PROGRESS ON SINAI DESERT

ISRAELI TROOPS ATTACK IN FORCE; 50 EGYPTIAN SOLDIERS KILLED

TEL AVIV, Israel, Nov. 3.—(UP)—The Israeli army attacked in force early today to drive Egyptians from the Israeli half of the neutralized El Ajza zone, and first reports indicated Israel was winning a major victory.

An Israeli communique reported 50 Egyptian soldiers slain and more than 40 captured in the first sudden onslaught which came in bright moonlight that bathed the Sinai desert.

It was Israel's second raid in force since arms from Communist Czechoslovakia began reaching the Arab world and the most costly in lives in a year of steadily worsening tension along the Israeli border with Egypt.

In Cairo a high Egyptian source said large Israeli forces occupied the El Ajza demilitarized zone "within ten hours" after Prime Minister David Ben-Gurion had offered to sit down and talk peace with Arab leaders.

Reports reaching London said both sides were using aircraft for reconnaissance in the battle but that there were no reports of air battles.

The last heavy fighting flared only last Thursday at El Kuntilla, casting a pall over opening of the Big Four foreign ministers conference in Geneva.

Full details of the action were not immediately available. The Israeli communique said the attackers brought back four Israeli dead and 19 wounded and quantities of Egyptian war material.

A spokesman said Egyptian prisoners included two officers, mobile artillerymen, riflemen and machinegunners.

Big Four Talks Are Deadlocked

GENEVA, Nov. 3.—(UP)—The Western foreign ministers turned today to the subject of disarmament in hopes of salvaging some agreement from the currently deadlocked Big Four talks.

The major deadlock was over the reunification of Germany but this was enough to torpedo the ministers' hope for agreement on a security treaty for Europe.

The subject of world disarmament is expected to come up next week in the conference, but the three Western foreign ministers began their strategy talks on it today.

British Foreign Secretary Harold MacMillan invited Secretary of State John Foster Dulles and French Foreign Minister Antoine Pinay to lunch today (6 a. m. EST) to begin solidifying their position.

But still the key question was German unity and European security.

Another Big Four session was called for 3 p. m. (9 a. m. EST). Five previous conference sessions have brought broad agreement on the security treaty with in sight—but always tantalizingly out of reach. Each time a security plan founded on the hard bargaining of Russia's Vacheslav M. Molotov.

Conference sources hinted that unless Molotov comes up with some acceptable solution to the German problem, no security plan was in sight.

Molotov sidestepped the cur-

WINS CONFIDENCE VOTE
PARIS, Nov. 3—(UP)—Premier Edgar Faure won a decisive vote of confidence early today saving his own government and France's voice at the Geneva Big Four foreign ministers' conference.

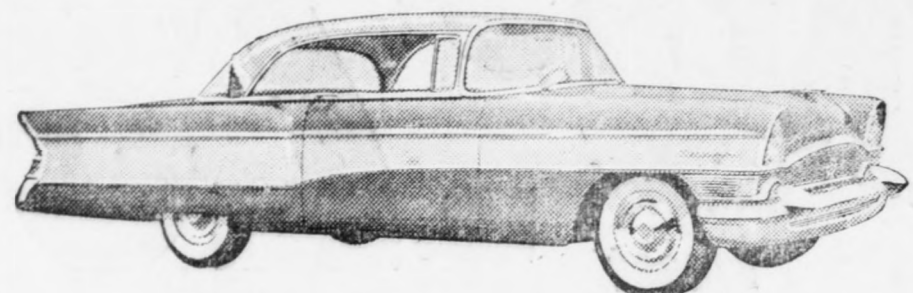

119-vote majority for the premier. Although Faure did not seek their support, the Communists cast their 94 votes for the government. Faure staked the life of his government on his demand for new elections next month to "get

a new assembly and a stable government capable of the direct action France required." Had the premier lost, French Foreign Minister Antoine Pinay would have been reduced to the role of an observer at the Geneva conference.

FOUNDERS DAY NOV. 5

Fillmore Wins From Cloverdale

Fillmore's Cardinals, defending sectional champions, opened their 1955-56 basketball season Tuesday night with a 60 to 44 victory over visiting Cloverdale.

The Clovers jumped into a 12-7 lead at the end of the first quarter but Fillmore went ahead at halftime, 27 to 24. The Cards chalked up 19 points to 11 by Cloverdale in the third period to hold a 46-35 advantage and then went on to win by a 60-44 verdict.

Skinner of Fillmore committed the first foul and Lewis for

Cloverdale made two points on the error. Greenlee missed his first attempt from the foul line as did Ross, but Cloverdale hit from the field and led 4 to 0.

Tharp missed another foul but hit from the floor and his team opened its first points. Tharp a second later tied the score at 4 all. Both teams missed numerous shots, but Fillmore missed many fouls at the opening. It wasn't until the Clovers began to tire and slow, that Fillmore got into its stride and soon had full command of the situation. Other than the misses in the first half, it was a much better ball game for that period than the second period.

Despite the weather, a good turnout was on hand for the opening game. The Fillmore section was about full and the Cloverdale supporters turned out exceptionally well for the night.

It was a "home" game for Cloverdale, but due to their small gymnasium, the game had to be played at Fillmore.

Tharp, one of Coach Shirrel Alexander's veterans from last year's great team, led the Cardinal attack with 13 field goals and 4 free throws for a total of 30 points.

Greenlee, another regular in the 1955 sectional championship squad, hit 11 points for the Cardinals. Ross, a brother of Fillmore's outstanding pivot ace, Herschel Ross who graduated last spring, collected 11 points to aid the Cardinal offense.

Lewis with 15 points was the high scorer for Coach Glenn Steele's Cloverdale netters.

The Fillmore second team won from Cloverdale by a one point margin in the curtain raiser, 33 to 32. The Clovers scored about 16 points in the third quarter

while Fillmore was making three and they came within one of winning, due to the terrific spurge in the closing minutes.

Playing for Fillmore were Irwin, McGinnis, Buchanan, Roberts, Strong and Munday, while Parker, Hays, Broadstreet, Steele and Sharp carried the load for Cloverdale.

Reelsville's Indians lost their opening game of the new net season Tuesday night to Concannon by the score of 67 to 60. The game was played at Concannon.

The Reelsville B team also dropped the curtain raiser by the close count of 41 to 40.

The bidding:

North	East	South	West
1 ♦	Dbl.	Redbl.	Pass
Pass	1 ♥	1 NT	Pass
2 NT	Pass	3 NT	All Pass

Take this hand, for example. Mr. Dale, the master of bridge, bid his cards strongly to reach a contract of three no trump. That was because he didn't expect to get the best defense from Abel and Muzzy. And he was right.

Mr. Abel opened the eight of hearts, dummy ducked and Mr. Muzzy won with the queen. It occurred to him that, while Mr. Dale probably had the king of spades, Mr. Abel might have the guarded queen.

If so, the underlead of the ace of spades at this point seemed to him a very clever move.

A NEAT TRAP

He led the five of spades at trick two and Mr. Dale false-carded, winning with the king. Holding four cards in the suit and having no preference for any other lead, Mr. Abel elected to signal with the eight spot. The defenders had started to lay a neat trap—for themselves.

At the third trick Mr. Dale led a heart to dummy's king and Mr. Muzzy won with the ace. Here a good player would have seen the throw-in play coming. He would have got that ace of spades out of his hand fast. But not Mr. Muzzy. Again he underled the ace of spades.

Mr. Dale won with the queen and laid down the king of diamonds. The play of the jack on his right didn't surprise him. He hadn't expected the diamonds to break. But the play of the spade, by both opponents had convinced him that Mr. Muzzy had the lone ace left.

ABSURD SPOT

Accordingly, he cashed the jack and 10 of hearts. Then he entered dummy with the ace of diamonds and Mr. Muzzy showed out, dropping the six of clubs. Next came a spade lead and Mr. Muzzy was in with the ace. Holding nothing but clubs, he found himself in the absurd position of having to lead into dummy's ace-queen.

Thus the three-men team of Dale, Abel and Muzzy manage to make three no trump, winning two spades, two hearts, three diamonds and two clubs.

"Pretty lucky," complained Mr. Muzzy.

"Yes, I was lucky," smiled Mr. Dale. But he didn't say why.

CONFESSION DISCOUNTED
CHICAGO, Nov. 3.—(UP)—Police today discounted the triple slaying "confession" of a 30-year-old truck driver who was so nervous he couldn't even take a lie detector test.
Ed Kline, who was picked up in an abandoned Wisconsin farm house, admitted the murders of

Robert Peterson, 13, John Schuessler, 13, and his brother, Anton, 11, police said.

But Sgt. Michael Spiotto, temporarily heading the investigation, said police regarded the "confession" as the worthless "rambling of a mental case."
He could give no concrete account of how the murders were committed, investigators reported.
